E. REQUEST FOR RELIEF

State the relief you are seeking:

I would like all involved parties to be trained on how to treat people with a mental health problem. I have dealt with my mental health issue for 30 years and get teased about it. We have feelings too. Also the sum of 30,000.

I declare under penalty of perjury that the foregoing is true and correct.

ADDITIONAL PAGES

All questions must be answered concisely in the proper space on the form. If you need more space you may attach more pages, but you are strongly encouraged to limit your complaint to twenty-five pages. If you attach additional pages, be sure to identify which section of the complaint is being continued and number all pages. Remember, there is no need to attach exhibits to your complaint.

Respectfully, we have a depose deadline 7-3-24. It is 6-16-24, I believe the defense is stalling to give their co-workers time to intimidate me. This case been going on since 2018. Please don't allow the defense any more time, I have to deal with retaliation everywhere I go. I will not be bullied or intimidated, I'm not educated on motions so im just asking the court to grant my motion for no more extensions on case name
